Kims Health Card – our 10th anniversary gift to you

The cost of providing Quality Healthcare is escalating due to unavoidable factors, including...

- Increasing cost of procuring the latest medical equipment due to fluctuating international markets and currency exchange rates.
- Increase in the cost of staffing and infrastructure.

In this scenario, a majority of the Indians are still miles away from experiencing high quality medical care and its associated benefits.

On the eve of successfully completing 10 glorious years in providing Quality Healthcare at an affordable cost, KIMS is offering a unique product that combines the best of both worlds...i.e., Quality & Affordability.
