- Instruction/information related to the D. K. Bhave Scholarship available on this website only is authentic and applicable. Instruction/information obtained through any other means (eg. on telephone / personnel from the office of the department) may not be entertained and/or applicable

## **The rules and regulations for the said scholarship are as follows:**

- The student should be Graduate from Engineering Faculty / Studying in the last year **(B.E./B.Tech) (Any Branch)** from any of the ACCREDITED Colleges listed below.
  - **MAEER's Maharashtra Academy of Engineering, Alandi, Pune**
  - **Maharashtra Institute of Technology, Kothrud, Pune**
  - **Sinhgad College of Engineering, Vadgaon (BK), Pune**
  - **Smt. Kashibai Navale College of Engineering, Vadgaon, Pune**
  - **Dr. D. Y. Patil Vidya Pratishthan Society Dr .D. Y. Patil Institute of Engineering & Technology, Pimpri, Pune**
  - **Pune Institute of Computer Technology, Dhankavdi, Pune**
  - **Dr. D.Y.Patil Pratishthan's D.Y.Patil College of Engineering Akurdi, Pune**
  - **Pune Vidyarthi Griha's College of Engineering and Technology, Pune**
  - **MKSSS's Cummins College of Engineering for Women, Karvenagar, Pune**
  - **B.R.A.C.T's Vishwakarma Institute of Information Technology, Kondhwa (Bk.), Pune**
  - **B.R.A.C.T's Vishwakarma Institute of Technology, Bibvewadi Pune**
  - **Government College of Engineering, Pune(COEP)**
  - **Army Institute of Technology, Pune**
- The student should have secured some funding from family, loans or other financial assistance from Indian or foreign sources. This scholarship will provide the supplemental amount and will not be the sole source of funding for any student. This scholarship will provide a MAXIMUM amount equal to 50% of the total cost of one year for a s degree program in Engineering. The total cost per year is defined as cost of tuition, books, room, food and incidental expenses as estimated by the admitting university and reduced by any financial assistance provided by the admitting University. For example, if the total cost per year is \$28,000 and the admitting University provides \$10,000 as tuition assistance, then the maximum amount provided by this scholarship is \$9000, i.e. 50% of (28,000 - 10,000)
  - IF THE UNIVERSITY IS ON A Quarter SYSTEM this Scholarship in three installments (first 40%, second 30% and third 30%) in one academic year.
  - If the concerned University is having Semester System, then the Scholarship will be given in two installments - First installment of 60% in semester I and second installment of 40% in semester II, subject to condition in % below.
- The beneficiary student of this scholarship will have to maintain the academic record/performance (Grade B OR HIGHER) and it is essential for the student to submit the academic progress report to the University of Pune along with the transcript.

- The beneficiary student, going abroad under this Scholarship will have to return to India after completion of his/her s degree of two years or he/she will have to return the scholarship amount to University of Pune. There is no interest on this loan.
- The beneficiary student, returning to India after completion of his/her s degree of two years and working in the same field for five years in India, will not have to make repayment of the scholarship amount to University of Pune.
- The Selection Committee of University of Pune will take the decision regarding return of scholarship.
- The student has to give the undertaking to University of Pune regarding his returning back to India after completion of s degree of two years.
- The beneficiary student of this scholarship will have to submit the related papers (certificate from the Company in India, Nature of work, Tenure of the Service, Passport etc.) regarding return of scholarship, if required, in the format given.
- Decision of the selection committee will be final in any matter relating to the scholarship or return of the scholarship as the case may be. The Committee may not grant scholarship every year based on availability of funds and/or getting qualified candidates in its sole opinion.
- The Committee will assign a Mentor to the selected Candidate and the Candidate will keep in touch with the Mentor every few weeks(by phone or email) to report progress, seek advice and help for any academic or other issues during the Masters Degree program.

- Send the superscribed envelope ("**APPLICATION FORM - The D. K. Bhave Scholarship**") containing the following:
  - Duly signed application form with the recommendation (Please print the form on page 5 and fill in your details along with the recommendation).
  - A copy of the "Confirmed Admission Letter" issued by the concerned University or Institute
  - An attested copy of the final year marklist of B.E./B.Tech.
  - An attested copy of the passport
  - A one page write-up

**Please include the following in your one page write-up:**

- Name of Candidate:
- Why do you want to go for a Masters Degree abroad? (Explain in 150 to 200 words.)
- What is your career objective? Where do you see yourself in five, ten years?
- Do you have family/ relatives in the country where you are planning to go? If yes provide details like relationship, professions, location, and how long they are in the foreign country.
- Financial Plan: what is the total cost of tuition, fees and living expenses as estimated by the University? What are the amounts provided by University, family and other sources? What is the amount you want from the D K Bhave scholarship?

Correspondence/Postal Address for submission of the application:

**The Secretary,  
D. K. Bhave Scholarship,  
Department of Computer Science,  
University of Pune,  
Ganeshkhind, Pune-411007.**
