

(An Autonomous Institute of the Department of Biotechnology, Govt. of India)  
 496, Udyog Vihar Phase III, Gurgaon – 122 016

### Drug Discovery Research Centre

#### Recruitment Notice No: THS/RN/3/2014

#### RECRUITMENT FOR SCIENTIFIC & TECHNICAL POSITIONS

- a) Translational Health Science and Technology Institute (THSTI) is an autonomous Institute of the Department of Biotechnology under the Ministry of Science and Technology, Govt. of India. THSTI is developed as a part of the interdisciplinary NCR Biotech Science Cluster to be located at Faridabad, in the National Capital Region. THSTI is designed to be a dynamic, interactive organization with a mission to conduct innovative translational research and to develop research collaborations across disciplines and professions to translate concepts into tangible products to improve human health. Permanent laboratories of the institute will come up in Faridabad within one year. The interim laboratories of the institute are functioning from Gurgaon in Haryana.
- b) THSTI has set up niche centres for research in areas relevant to planned translational work. They are: Vaccine and Infectious Disease Research Centre (VIDRC), Paediatric Biology Centre (PBC), Centre for Biodesign (CBD), Drug Discovery Research Centre (DDRC), Centre of Human Microbial Ecology (CHME), Population Science Research Centre and Policy Centre for Biomedical Research (PCBR). Clinical Development Service Agency (CDSA) and the National Biodesign Alliance (NBA) are THSTI's extramural centres.
- c) This recruitment notice is for DDRC which has been set up as a mission centre of the THSTI to enable the process of drug discovery research in India. It is a multi-disciplinary centre where research activities will span the broad areas of Biology, Chemistry, and Systems Biology.
- d) Applications are invited from suitable candidates for the following positions:

S No.	Name of the post / Pay Band + Grade Pay	Qualifications and experience	Job description	No. of posts and age limit
1	Scientist C Rs.15,600-39,100+ GP Rs.6600	The ideal candidate should have a PhD in any area of Life Sciences with at least one year of postdoctoral research experience in the area of studying host-pathogen interactions in <i>Mycobacterium tuberculosis</i> infections. Demonstrated expertise in	Candidate must have the ability to work in a team and yet think independently. Excellent communication skills	One post; 40 years

		handling clinical and drug-resistant strains of the pathogen, and analyzing host-pathogen interactions through techniques such as mass spectrometry and electron microscopy is an essential requirement. Familiarity with the tools of Systems Biology will also be preferred. Candidate must have the ability to work in a team and yet think independently. Excellent communication skills both oral and written are desirable.	both oral and written are desirable.	
2.	Technical Assistant (Lab) Rs.9300-34,800+ GP Rs.4200	<ul style="list-style-type: none"> <li>• M.Sc in Chemistry, or related field</li> <li>• 2-3 Years' experience on characterizing chemical and physical properties of organic and/or biomolecules</li> <li>• Strong interpersonal skills and ability to work effectively within a matrixed team environment, demonstrate solid work performance in an environment requiring high level of attention to detail and timeliness</li> <li>• Strong team member, able to work well with a multidisciplinary team, train new team members as needed and other duties as assigned; able to handle multiple tasks simultaneously and prioritize activities</li> <li>• Demonstrated proficiency of MS word, Excel, Power point and other commonly used web-based bioinformatics tools.</li> </ul>	Laboratory technicians working in the Chemical Analysis laboratory will be required to perform measurements to characterize the chemical (Protein and small molecules), physical and biological properties of bio- and organic molecules using the following techniques:  (a) Mass Spectrometry – LC/MS, GC/MS, MALDI-TOF (b) Evaporative sample preparation techniques (c) Infrared spectroscopy – static and mobile platforms (d) Chromatography – ion, gas, liquid	One post; 30 years

e) **GENERAL TERMS & CONDITIONS:**

1. Appointment will be made on contract initially for a maximum period of 5 years with a probation period of one/ two years which may be extended at the discretion of the competent Authority.

2. For the post at S.No. 1 and 2 above, the pay & allowances are admissible as per the recommendation of the 6<sup>th</sup> Pay Commission of the Govt. of India. Other benefits include new pension scheme, medical reimbursement, LTC, bonus etc. as per the rules of the institute.
3. All educational, professional and technical qualification should be from a recognized Board/University.
4. The experience requirement specified shall be experience acquired after obtaining the minimum educational qualifications required for the post.
5. Persons working in Govt. or Public Sector undertaking should apply through proper channel or produce 'No Objection Certificate' at the time of Interview.
6. The age limit, qualification, experience and other requirements for the post is relaxable at the discretion of the competent authority, in case of candidates otherwise well qualified. In case candidates are not found suitable for the posts notified, they can be offered lower post on the recommendation of the Selection Committee.
7. Number of positions filled will be as per the need and availability of the suitable candidates.
8. Outstation SC/ST candidates called for the interview will be paid to & fro second class railway fare, as per Govt. of India rules on production of the proof of the same.
9. Reservation/ Relaxation rules will apply as per Govt. of India provisions.
10. Interested candidates may apply to the Head-Administration, Translational Health Science and Technology Institute, 496, Udyog Vihar Phase-III Gurgaon Haryana-122106 on a plain paper in the attached format, along with CV, attested certificate of all qualification/ experience and a demand draft of Rs. 100/- (SC/ST/PH/ Women candidates are exempted from payment of fees) payable at Gurgaon in favour of the Translational Health Science and Technology Institute (THSTI) on or before 21st April, 2014. Please super scribe on top of the envelope "Application for the post of \_\_\_\_\_ in THSTI". Information can be obtained personally from the institute on telephone no. 0124-2876300.
11. Incomplete applications will stand summarily rejected.
12. In case a large number of applications are received for each post, screening will be done to limit the number of candidates to those possessing higher/relevant qualification.
13. Only shortlisted candidates will be called for interview.
14. Positions will be initially based in the THSTI's interim laboratories at Gurgaon/ New Delhi and will be shifted to its permanent campus in Faridabad within one year.
15. Canvassing in any form will be a disqualification
