A Glowing Legacy Of
Education Spanning Over Seven Decades

"Our INNOVATIVE approach towards TEACHING and LEARNING stands as model for institutions NATIONWIDE"

Late Dr. Kedar Nath Modi

Behind the establishment of the Dr. K.N. Modi University are the seeds of caring and social service sown by one of India's most distinguished sons. Late Dr. Kedar Nath Modi (1922-2005), leading industrialist and philanthropist, set up the foundation that, continues to carry on his work of promoting education, establishing community welfare facilities even supporting the needy and less privileged.

For 72 years the torch of commitment has been burning brightly and spreading the light of knowledge everywhere. Under the guidance of Dr K. N. Modi the entire, movement towards providing quality academic and professional learning took root starting with the setting up of the first school in the year 1942 in Modinagar.

Vision

"To become one of India's most respected self financed education providers and a leading center of innovation & learning, imparting quality education across all levels."

- Our Esteemed Linkage
- The Industry Connection
- EDGE for Industry Readiness
- Seamless Learning
- Entrepreneurship & Innovation

EDGE FOR INDUSTRY READINESS:

It is a known fact that over the past decade, career opportunities have increased dramatically owing to strong economic growth. Despite this, a large number of fresh graduates fail to find suitable employment as they are unable to meet the skill and productivity level expected by the industry. This skill gap is a combination of lack of technical skills as well as personality and communication skills. While the university curriculum imparts great conceptual grounding, there keeps emerging a need for industry readiness through skill upgradation on new technologies as well as communication skills and personality development.

A dedicated Industry-Connect Cell coordinates with leading organizations across industries for providing industry exposure along with appropriate career opportunities.
