Normalization of Marks and Inter-se Merit:
Tamil Nadu Acts No.3 of 2007, dt : 5 th March, 2007 and G.O. (e.g) if the highest marks secured by the student of State Board of Tamil Nadu in Physics is 100 and the highest marks secured by a student of any other Board in the same subject is 90 both the highest marks will be considered to be equal to 100. If a student of the other Board secures 60 marks in Physics when the first mark in Physics in the same Board is 90, the 60 marks will be considered to be equal to 66.66 marks as arrived at below :

$$\frac{100 \times 60}{90} = 66.66\%$$

After normalization of marks in the relevant subjects in the qualifying examination conducted by different Boards, the qualified students of different Boards shall be merged into a common merit list.

A merit list will be prepared based on the total marks of 200. In cases where more than one Candidate have got the same marks in the common merit list, the inter-se merit among such Candidates shall be determined in the order of priority as specified below :

(1) Percentage of marks in Mathematics, (2) Percentage of marks in Physics, (3) Percentage of marks in the Fourth optional subject, (4) Date of Birth, (5) Random number assigned (higher value will be given preference).
