1. ABOUT THE ORGANIZING INSTITUTIONS

1.1. National Academy of Agricultural Research Management

The National Academy of Agricultural Research Management (hereinafter referred to as NAARM) was established by the Indian Council of Agricultural Research (ICAR) at Hyderabad, in 1976 to fulfill the important need for an institution of management in agricultural research and education. It has now added a fully integrated School of Management in Agriculture with a global focus and equal emphasis in creation, dissemination and application of knowledge. The Academy has state of the art facilities for conducting education, training and research programmes that include a library, computer labs, video / audio laboratories, hostel and other necessary infrastructure. As member of the consortium for e-resources in agriculture, NAARM Library provides direct access to over 2000 journals from EBSCO, CSIRO, Springer and Open J-Gate. Courses are conducted using both instructor-led-learning and learner-led-learning methodologies. The computer infrastructure within the institute parallels that of any advanced research organization with well-equipped, fault-tolerant servers and wi-fi enabled broadband Internet. The Academy's repositories are equipped with latest software for statistical analysis, database concepts, geographic information systems (GIS), web based instruction, and techno-commercial patent informatics tools for patent analysis and technological evaluations.

The faculty of the Academy has been engaged in various research projects on policy level decision making in intellectual property (IP) and biodiversity management for ICAR, state agricultural universities (SAUs), and statutory bodies at national level and for CAS-IP, UNCTAD, PIIPA at international level. Several training programmes are regularly organized sponsored by state departments, SAUs, trade organizations, PPV&FR Authority, etc. The areas of the training programmes include IP awareness, IP skills and technology transfer. The academy currently offers a two-year fully residential P.G.Diploma in Management (Agriculture) – PGDMA recognized by AICTE, New Delhi. The Academy is located at 15 km distance from the historic city of Hyderabad in the midst of educational–cum-research institutions in the salubrious conditions ideal for learning and knowledge creation.

1.2. University of Hyderabad

The University of Hyderabad (hereinafter referred to as UoH) is a premier institution of post-graduate teaching and research in the country, was established as a Central University - first of its kind in Southern India. In addition to federal funding, it receives substantial research funding and support from other resources from home and abroad, and attracts the best students and faculty from all over India. The University is located on the Old Hyderabad-Bombay Highway, about 20 km from the city of Hyderabad.

The University is one of the five universities in India which has been accorded the status of University with Potential for Excellence by the University Grants Commission (UGC). The National Accreditation and Assessment Council (NAAC) have accorded the University the top rating of “Five Stars”. The University is a Member of the Association of Indian Universities (AIU), the Association of Common Wealth Universities (ACU), and International Council for Distance Education (ICDE).

As per the recent report based on Scopus international database, the UoH has been ranked as the No.1 among the top 25 universities in the country taking into account its multidisciplinary performance.

1.2.1. Centre for Distance and Virtual Learning (CDVL), University of Hyderabad

The CDVL centre is one of the oldest centres of the UoH which was officially established in the year 1994 based upon the directions received from the UGC and MHRD. The Centre initially started with two diploma programmes. Presently it is offering sixteen One year Post Graduate Diploma Programmes through distance mode which are knowledge oriented and skill upgradation programmes. In order to maintain the quality standards, the regular faculty of the University have put their best efforts in designing these courses by framing the syllabus, development of study material and conducting the contact classes. Though there is lot of demand all over the country for these courses, the University has not permitted to any study centres as the quality of teaching at the study centres will differ from the main campus. The students of these programmes have to attend 3 to 10 days contact classes once or twice in a year at Hyderabad campus

2. ABOUT THE PROGRAMME

The One Year Post Graduate Diploma in Technology Management in Agriculture (PGD-TMA) is a two- semester course jointly offered by NAARM and UoH, the two leading institutions of the country on a distance learning mode. The intake of students to the programme will be limited to a maximum number of one hundred excluding the sponsored candidates. However, the NAARM / UoH reserves the right to decide the exact number of students to be admitted to the programme depending on the demand for the course and its course delivery capacity. The programme offers an excellent opportunity to systematically study the subject of technology management in agriculture and understand the intricacies of building and managing intellectual property.

The aim of the course is to build and further the skills of students, researchers, policy makers, IP and technology transfer practitioners as professionals to enable them to handle successfully Intellectual Property and Technology Management assignments in agriculture and related enterprises.

The course is structured to create a ‘bridge professional’ for innovation management who can identify, develop and manage IP assets for leveraging them for technology transfer and commercialization in agriculture and related industries.

The students graduating from PGD-TMA will have opportunity to enroll for membership in Society for Technology Management (STEM), an organization that facilitates and promotes successful technology transfer processes and best practices in technology management in India.

2.1. Eligibility

- Post Graduates in Agricultural Sciences / Social Sciences / Physical Sciences / Management / Life Sciences / Engineering/Law
- Graduates in Agricultural Sciences / Social Sciences / Physical Sciences / Management / Life Sciences / Engineering / Law with two years work experience after completing the graduate degree.

5. INFORMATION ON THE COURSE STRUCTURE AND CONTENTS

The Curriculum of the PGD-TMA is designed with the help of leading experts from the national law schools, research institutions in public and private sector, law firms, technology transfer consultancy agencies, KPOs and the industry. The academic faculty for the contact classes is drawn from various sources including research/industry/business/legal-organizations-in-public-and-private-sector, National Law Schools, technology consulting firms and KPOs working on IP and Technology Management areas. The programme content will expose the prospective students to concepts of intellectual property and technology management in agriculture, real life challenges through case studies from working professionals from industry, law firms, statutory bodies, and innovators at grass root and at corporate levels. An essentially a skill development endeavour, the programme comprises 6 courses and one course of project work over two semesters, as detailed below:

FIRST SEMESTER

- PGD-TMA 411- Intellectual Property Regime - 4 credits
- PGD-TMA 412 –IP Informatics - 4 credits
- PGD-TMA 413- Technology Management - 4 credits
- PGD-TMA 433 A- Project Work - 4 credits

SECOND SEMESTER

- PGD-TMA 421- IP Prosecution and Litigation - 4 credits
- PGD-TMA 422- Rural Innovation - 4 credits
- PGD-TMA 423- Technology Entrepreneurship - 4 credits
- PGD-TMA 433 B- Project Work - 4 credits

Total credits hours for the programme would be 32 credits (16 credits in each semester totaling 32 credits) with contact session of **3-4** days each, one in each semester.

6. IMPORTANT DATES

- Last Date for receiving the duly completed application forms – January 15, 2014 (unless and otherwise revised)
- Last date for submission of assignments for 1st Semester: May – June, 2014
- Contact Programme & 1st Semester Examination: July, 2014 (Specific dates will be intimated separately)
- Last date for Payment of 2nd Semester Fee : 31.08 2014 (tentatively)
- Last date for submission of Assignments for 2nd Semester: September – October, 2014
- Contact Programme & 2nd Semester Examination: December, 2014 (Specific dates will be intimated separately)
- Semester End Examination will be held after Contact Classes are completed

7. EVALUATION

The evaluation system is designed to test the student's progress systematically through internal assessment as well as semester- end examinations. Internal assessment for 40% of total marks will be through assignments and contact classes. Performance of the students will also be assessed through a term-end examination with 60% of total marks at the end of each semester. A student should score a minimum of 25 marks out of 60 in term-end examinations. Identified faculty will be designated as advisors for project work during the course.

7.1. Internal Assessments (Assignments)

Internal Assessment will be done through evaluation of assignments which will be sent along with the course material. The completed assignments have to be sent back to the Programme Coordinator located at NAARM, Rajendranagar, Hyderabad – 500030, India by the stipulated date. They will be evaluated for 30% of the total marks.

7.2. Semester – End Examinations

Performance will be assessed through a semester-end examination at the end of each semester to be conducted at the contact centre, which will have a weightage of 60% (60 marks). Student should score at least 25 marks out of 60. Only those students who satisfactorily complete the contact sessions and submit assignments before the stipulated date will be eligible to take the term-end examinations.

7.3. Examination for foreign students / NRIs

Efforts will be made to conduct term-end examinations for NRI and foreign students with the help of Indian Embassies / Indian High Commission situated in their countries. In case, it is not feasible to conduct examination in the country of their residence, they should be prepared to visit India and appear for examination at NAARM.

7.4. Contact Sessions for Foreign Nationals/ NRIs

The NAARM / UoH will conduct classes for 3 to 8 days abroad, if the number of foreign / NRI students are more than 15 at a place. In individual cases, Foreign nationals and NRIs staying abroad are exempted from contact sessions, but they should submit a term paper on a specific topic at least 15 days before the commencement of the examinations. The topic of the term paper will be intimated to the students, if the student applies for exemption well in advance.

8. RESULTS

The final results for the Programme are determined on the basis of (a) Attendance in contact classes (b) internal assessment (Assignments), and (c) performance in the Semester – end examination, in the ratio 10:30:60. The final result

in each course will thus be calculated on the basis of continuous assessment, in the following manner. In case of NRI / foreign students who were exempted from contact classes on prior request, the internal assessment will be for 30 marks and 10 marks for the Contact programme.

8.1. Re-examination

A student is declared passed only if he / she secures a minimum of 40% marks in all (internal assessment, contact classes, and term-end examinations put together) provided that he / she secures a minimum of 40% marks at the term-end examinations. Students with less than 40% marks may appear for re-examination in the course concerned in the next term-end examination. Candidates failing in any course / paper have to pay Rs.300/- per course / paper to appear in the re-examination.

No.	Test type	Relative Weightage
1.	Contact classes Counseling	10%
2.	Internal Assessment (Assignments)	30%
3.	Semester-end Examination	60%

8.2. Grading

Successful students will be awarded divisions on the basis of the average marks obtained by them, as follows:

First Division with Distinction	:	75% & above
First Division	:	60% & above but below 75%
Second Division	:	50% & above but below 60%
Third Division	:	40% & above but below 50%

8.3. Improvement

Students may improve their performance in any course on payment of Rs.300/- for each course. The facility will be given only once in a course and should be requested within four weeks of the announcement of results. There is no provision for improvement of marks for assignments, contact classes, practical sessions (wherever compulsory) or for project work / project reports.

8.4. Re-counting

Re-counting of Semester–end exam answer scripts will involve recounting of marks, re-totaling and a special scrutiny to see if any portion of a question or a whole question was inadvertently left unmarked. Requests for re-counting should be made within 21 days from the date of publication / announcement of results, and should be accompanied by a draft for Rs.500/- per course towards Re-counting Fee. The results of re-counting will normally be communicated to the students before the next examinations are held. If any variation is found as a result of re-counting, the competent authority will accept the higher of the two, and a revised provisional marks memo will be issued to the students free of charge. There is no provision for re-evaluation of assignment marks and answer scripts.

8.5. Re-examination

Students who fail to complete the course requirements of a given term / semester can defer any course or all courses to the next year. They could also defer the complete programme to the next academic year. Any assignments done and internal assessment marks earned will be carried forward to the next semester / year. Students, who fail in a course in a semester, may pursue the 2nd semester by paying the remaining part of the programme fee. They can appear for re-examination in the failed courses at the subsequent semester–end examinations. To facilitate this, examinations for both 1st and 2nd semesters are conducted at the end of each semester. There will be no supplementary exams for any course. All students are expected to complete their course requirements within a maximum period of six academic semesters. Those who do not complete the programme in all respects can re-enroll themselves for the programme by paying half the programme fee. In such cases study material will not be issued again.

8.6. Memorandum of Marks

Marks memos would be issued to students on completion of examination. But Provisional certificate-cum-memorandum of marks would be issued only after a student completes all the course requirements. In normal cases, they would be sent these documents at the end of the academic year.

8.7. Final Diploma Certificate

The UoH will issue the Diploma Certificate, by endorsing the name of NAARM, after satisfactory completion of programme requirements on payment of Rs.500/- through a Demand Draft drawn in favour of “ICAR Unit - NAARM A/c” payable at Hyderabad along with the II Semester fee.

8.8. Duplicate Diploma / Certificate

All certificates and diplomas, including marks memo, or even Enrolment cards will be issued only once. If lost, the students can request the Programme Coordinator for a duplicate on payment of Rs.500/- through a D.D. drawn in favour of “ICAR Unit – NAARM A/c” payable at Hyderabad. However, duplicate of the Final Diploma Certificate will be issued only after producing necessary police inquiry certificate through a demand draft of Rs.500/-.
