Now it is one of premier educational institutions in the country, having under its umbrella more than 180 educational units including 80 colleges of 12 faculties. They include colleges of Medicine, Dentistry, Engineering, Pharmacy, Hotel Management and the like. There may be any disciplines either conventional or emerging which Bharati Vidyapeeth has not established its institution.*

*Within a short period of 18 years or so, Bharati Vidyapeeth University has established its academic reputation even across the national borders. Its high of academic excellence is underscored by the fact that the Ministry of Human Resource Development, Government of India has given 'A' grade status to this University. The University's another remarkable achievement is that it has been awarded a prestigious 'A' grade by the NAAC both in its first accreditation*

*and also in reaccreditation. An approval by the UGC under Section 12B of its Act which our University has received by another feather in the cap of the University.*

*We at this University are committed to make available to our students a wide spectrum of academic options to choose from.*
